GENERAL NEWS

NOUVELLES D'INTÉRÊT GÉNÉRAL

DGDS ACTIVITIES FOR THE PERIOD JUNE 1990 - MAY 1991

In Dec 90, as WO C.A. Hawkins observed, BGen J.F. Begin, DGDS, loaded the first Dentune program in the DentIS computer at the Dental Services Division.

Jun

During the period June-Oct, DGDS was involved with the Directors in responding to the NDHQ Functional Review (Establishment Reduction Study).

25-29 Jun

BGen Begin accompanied Col Brogan during visits to CFB Goose Bay, St John's and Gander, culminating with an evening at the colourful and entertaining Nova Scotia Military Tatoo in Halifax.

24-25 Aug

DGDS and DDTs represented CFDS at the Annual meeting of the CDA Board of Governors held in Ottawa.

27 Aug

BGen Begin opened the meetings of the Dental Associate Officers, and the Dental Unit Coordinators.

ACTIVITÉS DU DGSD DE JUIN 1990 À MAI 1991

Juin

De juin à octobre, le DGSD, ainsi que ses Directeurs, étaient fortement impliqués dans l'Évaluation fonctionnelle du QGDN (Étude sur la réduction des effectifs).

25-29 juin

Le bgén Begin accompagna le col Brogan au cours d'une tournée des BFC Goose Bay, St John's et Gander. Celle-ci se termina par une soirée à Halifax au cours de laquelle on assista au Tatoo militaire de la Nouvelle-Écosse qui s'est avéré un spectacle très coloré et divertissant.

24-25 août

Le DGSD et le DSD-Soins ont représenté le SDFC lors de la réunion annuelle du conseil d'administration de l'ADC tenue à Ottawa.

27 août

Le bgén Begin a ouvert la réunion des Officiers d'administration dentaire ainsi que celle des Coordinateurs de clinique des différentes Unités dentaires.

25 août

Le DGSD représenta le SDFC lors de la réunion annuelle de l'Association du CDRC qui a eu lieu pendant le Congrès annuel de l'ADC.

2-17 septembre

Le bgén Begin assista au Congrès mondial de la Fédération dentaire internationale tenu à Singapour. Le DGSD est membre du comité des Services dentaires des Forces de la Défense et prend activement part à deux ateliers. Au cours de ce congrès, il fut élu membre du comité exécutif.

17 octobre

Le DGSD a présenté une plaque du SDFC au Chirurgien-général, le contre-amiral Knight, lors d'un dîner officiel organisé par les SSFC.

25 Aug

DGDS represented CFDS at the annual meeting of the RCDC (A) held during the CDA convention weekend.

2-17 Sep

BGen Begin attended the annual World Congress of the Fédération Dentaire International held in Singapore. DGDS is a member of the Commission of Defence Forces Dental Services and serves on two working groups. At the meeting, he was elected to the executive committee.

17 Oct

DGDS presented a CFDS plaque to the retiring Surg Gen RAdm Knight at a formal dinner hosted by CFMS.

1-2 Nov

As in past years, BGen Begin was a guest speaker at the Dental Detachment Commander Course. The afternoon class session always proves interesting and informative, and the Mess Dinner is a real pleasure.

5-16 Nov

At the invitation of LCol Les Hudgins, DGDS conducted an official visit to CFE and 35 Dental Unit, included a visit to Geilenkerchen. The long weekend offered an opportunity to return to Fort St Louis and Fort Anne in Werl where BGen Begin had served from 1964-67.

23-24 Nov

The semi annual meeting of the ODA Board of Governors is always a lively and animated event. DGDS found it to be no exception this year as the subject of Electronic Data Interchange proved emotional.

23 Nov

The Toronto Academy hosted DGDS to their annual meeting where he was presented with a special plaque in recognition of the friendship and support between the two organizations.

29 Nov

At a formal dinner held in Washington, DC, on the occasion of the retirement of MGen Bill Lefler as Chief of the US Army Dental Corps, BGen Begin presented him with a bas relief of the CFDS dental van in a field setting.

5-6 Dec

ADM(Per) and the Branch Chiefs attended a group seminar at the Gananoque Inn to examine the internal restructuring of the Group.

1991

16 Jan

DGDS chaired the CFDS Procurement Committee meeting which approves the annual Capital acquisitions.

25-26 Jan

The Conference of Defence Associations annual meeting was held at the Chateau Laurier. LCol Charles Hunt represented the RCDC(A) ably assisted by LCol Jack Harris, Capt Bill McKenzie, Col John Brick, and DGDS as the Branch Adviser.

1-2 novembre

Comme par les années passées, le DGSD était invité en tant que conférencier de marque pour adresser la parole devant les membres du cours de Commandants de détachement. Cette période d'information s'avère toujours très intéressante et instructive; le dîner régimentaire qui la suit est toujours très agréable.

5-16 novembre

Invité par le lcol Les Hudgins, le DGSD a rendu une visite officielle aux FC en Europe et à la 35e Unité dentaire. Celle-ci comporta de plus une visite à Geilenkerchen. Cette fin de semaine de trois jours a donné au DGSD la chance de retourner au Fort St Louis et au Fort Anne dans Werl où il avait servi de 1964 à 1967.

23-24 novembre

La réunion bi-annuelle du conseil d'administration de l'Association dentaire de l'Ontario a coutume d'être un événement mouvementé et animé. Celle de cette année ne fit pas exception à la règle. Le DGSD rapporta qu'une discussion sur l'échange électronique de données suscita beaucoup de passion.

23 novembre

Le "Toronto Academy" invita le DGSD à assister à leur réunion annuelle. Au cours de celle-ci, on lui présenta une plaque spéciale pour signaler l'amitié et le soutien réciproques qui existent entre ces deux organisations.

29 novembre

Au cours d'un dîner formel qui a eu lieu à Washington, à l'occasion de la retraite du mgen Bill Lefler en tant que Chef du Corps dentaire de l'Armée des États-Unis, le bgén Begin lui présenta un bas-relief représentant un véhicule dentaire du SDFC déployé en campagne.

5-6 décembre

Le SMA(Per), accompagné des Chefs des différentes Branches du Groupe ont assisté à un séminaire au Gananoque Inn dans le but d'étudier la restructuration interne du Groupe.

1991

16 janvier

Le DGSD a présidé la réunion du comité du SDFC chargé des acquisitions. Ce dernier a comme tâche l'approbation des demandes annuelles d'acquisitions nécessitant des dépenses en immobilisation.

25-26 janvier

La réunion annuelle de la Conférence des Associations de la Défense s'est déroulée au Chateau Laurier. Le lcol Charles Hunt a bien représenté l'Association du CDRC; il fut habilement assisté dans sa tâche par le lcol Jack Harris, le capt Bill McKenzie, le col John Brick ainsi que par le DGSD qui y assista en tant que Directeur de la Branche dentaire.

4-8 Feb

BGen Begin, Col John Brick and Maj Tom Mountain joined LCol Yates and Lt Wallace during visit to CFB London, Toronto, Trenton and Kingston. The official visits and business calls were interspersed with pleasant social encounters at noon day luncheons and all ranks mixed dinners.

26-28 Feb

Col Cragg presided at the annual DGDS-Unit Commanders' Conference at CFB Borden. With Majs Mountain and Patterson as chief organizers the meeting was another successful one.

12-15 Apr

DGDS and DDTs attended the interim meeting of the "CDA Conference on the Impact of HIV and other Infectious Agents on Oral Health Care".

16 Apr

The Combat Development Committee consisting of all available Army Generals was convened by the Comd FMC.

19 Apr

Division Staff joined colleagues of 1 DU for the "annual" CFDS local volksmarch followed by the traditional German bratwurst and saurkraut. The 76th anniversary celebrations were enjoyed by all in attendance.

25 Apr

DGDS and members of the Division joined the Col Comdt, as guests of the BComd CFB Ottawa to officiate at the official opening of the Ott(S) combined MIR/Dent Det building. It is well worth the wait.

16 May

Col Eddington the Dental Activity Commander for Fort Knox Kentucky paid a courtesy and liaison visit to DGDS. Informative discussions preceded a noon day lunch, which was a perfect lead in to a mixed dining out in the evening.

26-31 May

The Col Comdt, Col Brick, joined DGDS for the visit to 14 Dental Unit. Visits were made to detachments at CFB Cold Lake, Edmonton, Calgary and Wainwright.

May

Throughout late April and May DGDS participated with the senior staff in analyzing the unit OSEER returns and in drawing the appropriate conclusions.

4-8 février

Le bgén Begin accompagné du col John Brick et du maj Tom Mountain se sont joints au lcol Yates et au lt Wallace pour visiter les BFC London, Toronto, Trenton et Kingston. Les visites officielles et les réunions d'affaires furent entremêlées de rencontres sociales très agréables tenues lors de déjeuners et de dîners à participation mixte.

26-28 février

Le col Cragg présida la conférence annuelle du DGSD et des Commandants d'unité à la BFC Borden. Les majs Mountain et Patterson agissant comme organisateurs principaux de la réunion, celle-ci fut encore une fois couronnée de succès.

12-15 avril

Le DGSD et le DSD-Soins ont assisté à une réunion intérimaire de l'ADC portant sur l'impact du VIH et d'autres agents infectieux sur le domaine des soins de la santé buccale.

16 avril

Le Comité sur le Développement du combat, formé de tous les généraux de l'Armée, fut convoqué par le Cmdt de la FMC.

19 avril

Les membres du personnel de la Division se sont joints à leurs collègues de la 1ère Unité dentaire pour participer à une marche populaire locale "annuelle" du SDFC. Celle-ci fut suivie d'une dégustation de "bratwurst" et de "saurkraut" allemands. Ces célébrations, commémorant le 76e anniversaire, furent appréciées de tous les participants.

25 avril

Le DGSD et certains membres de la Division se sont joints au col Cmdt comme invités du Commandant de la BFC Ottawa lors de l'ouverture officielle de l'édifice logeant la SEM et le Dét dent. Cela a vraiment valu la peine d'attendre.

16 mai

Le col Edington, cmdt du DENTAC de Fort Knox au Kentucky, a effectué une visite de liaison et de courtoisie au DGSD. Des discussions officieuses ont été suivies par un déjeuner au mess des officiers. Plus tard en soirée, les convives ont participé à un excellent dîner en compagnie de leurs épouses.

26-31 mai

Le col Cmdt, le col Brick, s'est joint au DGSD lors d'une tournée de la 14e Unité dentaire. Les détachements visités furent ceux des BFCs Cold Lake, Edmonton, Calgary et Wainwright. Mai

Au cours de la fin du mois d'avril et du début du mois de mai, le DGSD a participé, avec son état-major senior, à l'analyse des rapports de l'EPBE ainsi qu'à la formulation des conclusions appropriées.

NEWS FROM THE TREATMENT SERVICES DIRECTORATE

Front: Col M.N. Deyette, DDTS; BGen J.F. Begin, DGDS; Maj J.E.P. Lavallée, DDTS 3.

Rear: WO C.A. Hawkins; CWO R.M. Haiplik; CWO G.G. Albertson; WO R.E. St Jacques; MWO P.D. Paige; Sgt J.M.R. Levesque; MWO B.L. Mackie; WO I.J. MacNeil; MSC Isabelle; Sgt J.E. Zurudzki; CWO R.A. Gayler; MWO C.J. Rheault.

NDHQ Functional Review

DDTS (along with DDRM) was one of two Functional Review Unit Managers assigned to examine DGDS functions as part of the NDHQ review process. Between May and Nov (1990) all division activities were identified and timings estimated for the completion of each activity. Activities were next prioritized into incremental packages; the manpower requirements for each package was identified as well as the consequences of not providing the activity in each package.

After a series of meetings of senior NDHQ staff the decision was handed down that incremental packages representing 2 person years would be eliminated from DGDS establishment over the next 2 years. These lost packages represent a number of functions which will be reduced or eliminated. In people terms TS 3-2 position filled now by WO Hawkins and the TS/OT secretary have been lost.

Meetings/activities

DDTS attended the usual round of recurring meetings as described in previous issues. LCol Foley and WO Hawkins attended the Hinman meeting in Atlanta while Maj Lavallée suffered frostbite following the annual treatment visit to Moscow.

OSEER

OSEER is an unpopular term among TS staff as well. We all had to fill out the 545s, SOEs and SODs as did everyone else in Units. We also had to read (and defend) the Unit submission to DERE. We are still having difficulty with explaining why $2 + 2 = 5$ in many unit returns.

NOUVELLES DU DIRECTEUR SERVICE DENTAIRE - SOINS

Évaluation fonctionnelle du QGDN

Le DSD-Soins et le DSDGR furent nommés chefs d'équipe lors de l'analyse des fonctions du DGSD dans le cadre de l'évaluation fonctionnelle du QGDN. De mai à novembre 1990, toutes les activités de la division ont été identifiées et minutées. Ensuite, elles furent groupées selon leur priorité en entités différentielles; les besoins en effectifs requis pour chaque service offert furent déterminés ainsi que les conséquences qui découleraient de la cessation de chaque activité.

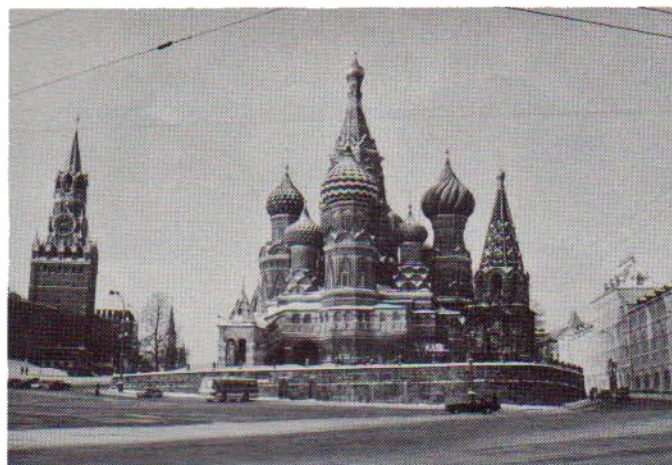

Suite à de nombreuses réunions des cadres supérieurs du QGDN, la décision fut prise que des entités différentielles représentant deux jours-personnes seraient éliminées des activités du DGSD au cours des deux prochaines années. Les entités perdues englobent plusieurs activités qui devront être réduites ou éliminées. De façon concrète, le poste de DSD-Soins 3-2 présentement occupé par l'adj Hawkins fut éliminé ainsi que celui de la secrétaire OI/SOINS.

Réunions/Activités

Le DSD-Soins a participé au nombre usuel de réunions cycliques déjà décrit dans les publications précédentes. Le lcol Foley et l'adj Hawkins ont assisté au congrès Hinman à Atlanta tandis que le maj Lavallée a souffert de gelures suite à la visite annuelle à Moscou.

EPBE

Le terme EPBE n'est pas plus populaire auprès du personnel du DSD-Soins. Comme dans toutes les unités, nous aussi avons eu à remplir les CF545 ainsi que les énoncés des emplois et ceux des tâches. De plus, nous devons lire (et défendre) notre soumission devant le DEBE. Encore à cette date, nous éprouvons beaucoup de difficulté à justifier que $2 + 2 = 5$ dans de nombreux rapports d'unité.

This photo was taken by Maj Lavallée while in Moscow in Jan 91 at -40°C.

NEWS FROM THE OPERATIONS AND TRAINING DIRECTORATE

In July 1990, Col E. Cragg was appointed Director replacing Col D. Jones who assumed command of 14DU.

During the fall of 1990, DDOT held several mini-boards and one final selection board for DOTP candidates. A total of forty-four applications were reviewed and twenty-two enrolled. Board members were Col Cragg (Chairman), LCol G. Brissette (DDOT 2) and LCol E. Foley (DDTS 2).

In September 1990, an SPQR was submitted to DMOS for development of specialty training for 722 Dental Clinical Assistants as Oral and Maxillofacial Surgical Assistants.

Col Cragg sat as a member of the Specialist Officer Merit Board, 24 September - 02 October 1990. LCol Brissette chaired the Dental NCMs Merit Board 9-18 October 1990.

On 17 October 1990, Col Cragg lectured to the Dental Detachment Commander's Course at CFDSS on "post-graduate training" and "continuing education".

On 18 October 1990, Col Cragg chaired a Dental Hygiene Selection Board, with members CWO T. James, DPCOR/DP, and MWO P. Ruck, Senior Dent Hygst, 1 DU.

A PG Selection Board was held at the Division on 10 December 1990. The Board consisted of Col Cragg (Chairman), Col M. Deyette (DDTS), Col P. McQueen (CO, 15 DU) and LCol R. Swan (DPCO 8). LCol Brissette (DDOT 2) served as Board Secretary and Maj D. Tingley (PCO Dent) as Board Consultant. Four candidates were selected to commence PG training in 1992 in Oral Surgery, Prosthodontics, Periodontics and General Dentistry.

During January 1991, DDOT initiated re-opening of the skilled enrollee plan for the 723 Dental Laboratory Technician occupation due to the present manning shortfall.

NOUVELLES DU DIRECTEUR SERVICE DENTAIRE - OPÉRATIONS ET INSTRUCTION

Au mois de juillet 1990, le colonel E. Cragg fut nommé Directeur et remplaça le colonel D. Jones qui assumait le commandement de la 14e Unité dentaire.

Au cours de cet automne, le DSDOI a convoqué plusieurs mini comités de sélection ainsi qu'un comité de sélection finale en vue d'évaluer les dossiers des postulants au PFDM. En tout, quarante-quatre demandes furent étudiées et vingt-deux candidats enrôlés. Le col Cragg agit comme président et eut comme adjoints les lcols G. Brissette (DSDOI 2) et E. Foley (DSD Soins 2).

Au mois de septembre 1990, on soumettait un DQP au DSGPM en vue de développer une formation spécialisée qui permettrait à certains assistants dentaires du GPM 722 d'être formés comme assistants en chirurgie maxillo-faciale et orale.

Le col Cragg siège comme membre du conseil de mérite des Officiers spécialistes qui fut tenu du 24 septembre au 2 octobre 1990. Le lcol Brissette assumait la présidence du conseil de mérite des membres du rang dentaires du 9 au 17 octobre.

Le 17 octobre, le col Cragg donna une conférence à l'ESDFC aux officiers inscrits au cours de Commandant de détachement dentaire. Son allocution porta sur la formation post-graduée et sur l'éducation continue.

Un comité de sélection siège à la Division le 10 décembre dernier en vue de choisir les dentistes militaires qui seraient offerts la possibilité de poursuivre des études post-graduées. Ce comité était formé du col Cragg (Président), du col M. Deyette (DSD-Soins), du col P. McQueen (Cmdt de la 15e U dent) et du lcol R. Swan (DCMO 9). Le lcol Brissette (DSDOI 2) agissait comme secrétaire tandis que le maj D. Tingley (CMO/dent) y participait en tant qu'aviseur. Quatre candidats furent choisis pour 1992 dans les disciplines suivantes: chirurgie buccale, prosthodontie, périodontie et dentisterie générale.

Au mois de janvier 1991, le DSDOI entreprit les démarches nécessaires pour remettre en vigueur le plan d'enrôlement direct pour la profession de technicien de laboratoire 723, et ce, pour tenter de remédier au manque actuel d'effectifs que connaît ce GPM.

The Annual DGDS/Unit Commander Conference was held at CFB Borden 26-28 Feb 91.

L-R Front: Col P.R. McQueen, CO 15; Col H. Brogan, CO 12; BGen J.F. Begin, DGDS; Col E.D. Cragg, DDOT; Col M.N. Deyette, DDTS; Col D.G. Jones, CO 14.

Rear: LCol J.C. Ayotte, CO 11; LCol J.J.J. Lemieux, Comdt CFDSS; LCol W. Budzinski; Maj J. Patterson, AO CFDSS; LCol L.J. Hudgins, CO 35; LCol J.W. Shore, DDRM; LCol B. Yates, CO 13; Maj T.W. Mountain, DGDS Adm O.

An MDTP Selection Board was held at NDHQ 14 February 1991, including Col Cragg (Chairman) and LCol Brissette. Two applications were reviewed and both candidates found to be acceptable by the Board.

DDOT chaired the DGDS/Unit COs Annual Planning Meeting at CFB Borden, 26-28 February 1991.

LCol Brissette represented DGDS at the annual "Canadian Mess Dinner" at Fort Knox, Ky, 15-16 March 1991.

Le 14 février 1991, un comité de sélection eut lieu au QGDN pour étudier les dossiers des postulants au PFM-Dent. Sous la présidence du col Cragg, ce comité qui incluait le lcol Brissette étudia la demande de deux officiers qui furent subséquemment jugés aptes.

Le DSDOI présida la réunion annuelle du DGSD et des Cmdts d'Unité qui eut lieu à la BFC Borden du 26 au 28 février 1991.

Le lcol Brissette représenta le DGSD au Dîner Régimentaire annuel tenu à Fort Knox, Ky, les 15 et 16 mars 1991.

NEWS FROM THE RESOURCE MANAGEMENT DIRECTORATE

Seminar

LCol Shore, DDRM, chaired the DAO Seminar which convened in Ottawa 27 Aug 90. Sixteen out of seventeen DAOs were in attendance.

U.S. Clinic Liaison Visit

LCol Shore, Maj Sloane, DDRM 2, Mr. Beauchamp, DDRM 3, and CWO Quine, DDRM 2-2, visited Fort Drum, N.Y. 23-24 Aug 90 to review a 38 operatory clinic that had recently opened. Equipment and design aspects were discussed as well as construction problems.

Training Assistance

Maj Sloane made presentations to the Detachment Commanders' Course at CFDSS 18-19 Oct 90 and to the Dental Adm Course 25-26 Apr 91.

Various staff members of the Directorate were involved in instructing for the DAO OJT Program which took place at NDHQ/DGDS for the period 27-29 Nov 90.

Construction

Mr. Beauchamp visited CFB Toronto on 6 Nov 90 to discuss the initial concept drawings with the Consultant employed to design the new MIR/Dental Clinic. He made a return visit on 18 Mar 91 to finalize the concept drawings.

NOUVELLES DU DIRECTEUR SERVICE/DENTAIRE - GESTION & RESSOURCES

Séminaire

Le lcol Shore DSDGR a présidé le séminaire des Officiers dentaires d'administration tenu à Ottawa le 26 août 90. Seize des dix-sept ODA étaient présents.

Visite de liaison - Clinique américaine

Le lcol Shore, le maj Sloane, DSDGR 2, M Beauchamp DSDGR 3, et l'adjc Quine, DSDGR 2-2 ont visité Fort Drum, NY, les 22 et 23 août 90 pour observer une clinique nouvellement ouverte. La construction, l'équipement, le dessein et les problèmes de construction furent discutés.

Assistance à l'instruction

Le maj Sloane s'est rendue à l'ESDFC afin de donner des cours aux étudiants du cours de Commandant de détachement, les 18 et 19 octobre 90, ainsi qu'aux étudiants du cours d'administration dentaire, les 25 et 26 avril 91.

Construction

M Beauchamp a visité la BFC Toronto le 6 novembre 90 afin de discuter des devis initiaux de la nouvelle clinique dentaire/SEM avec le consultant en charge du projet. Il est retourné le 18 mars afin de finaliser les plans.

Atelier d'équipement dentaire

Le maj Sloane et l'adjc Quine ont fait des visites de liaison technique à l'Atelier d'équipement dentaire au Dépôt d'approvisionnement des FC à Toronto en juin et en octobre 1990.

Middle: Pte D.E. Beaton, Clerk; Maj J.E.P. Lavallée, DDTs 3; Mrs J. Jones, OCE 3; Mrs A. Tomei, Chief Clerk; WO C.A. Hawkins, DDTs 3-2; Mr C.J. Beauchamp, DDRM 3; CWO W.A. Quine, DDRM 2-2; LCol E.G. Brissette, DDOT 2.
Rear: Mr A. Bourdon, DDRM Clerk; Maj T.G. Mayne, DDOT 3; Maj J.A. Sloane, DDRM 2; Mrs B.A. Lecompte, DGDS SCY 4; Maj T.W. Mountain, DGDS Adm O; LCol E.F. Foley, DDTs 2; WO B.F. Hannay, DDRM 2-2-2.

Dental Equipment Workshop

Maj Sloane and CWO Quine proceeded on technical liaison visits to the Dental Equipment Workshop, 1 CFSD Toronto on 13-15 Jun 90 and 15-17 Oct 90.

Staff Employment

Due to the heavy workload in the Materiel and Finance Section, Mr. Allain Bourdon was employed as a CR under CTEP for the period Nov 90 - May 91. Internal arrangements have been made to continue his employment until Sep 91. Mr. Bourdon's contribution to the running of this section has proven to be invaluable.

Catalogue of Dental Supplies

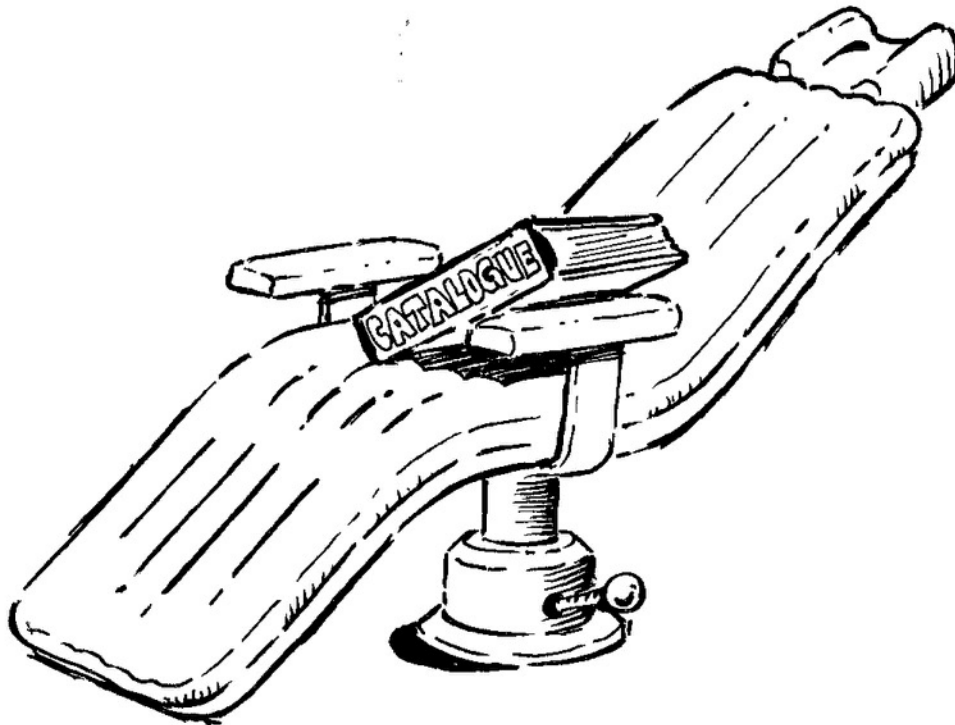

The Director Cataloguing and Identification has advised that due to financial restraints they can no longer publish this catalogue. This matter is now under study to determine which direction to take. As an interim in-house measure WO Hannay, DDRM 2-2-2, has prepared an amendment which was issued to all units in early May 91. It is hoped that this action will make the existing catalogue a useable document until a replacement can be issued.

Emploi de personnel

A cause d'un surplus de travail à la section des finances et du matériel, M Alain Bourdon a été employé comme commis sous le plan de "CTEP" pour la période de novembre 90 à mai 91. A la suite d'ententes intra-muros on pourra le garder au travail jusqu'en septembre. La contribution de M Bourdon à la bonne gestion de cette section s'est révélée inestimable.

Catalogue des fournitures dentaires

Le Directeur du catalogage et de l'identification ne peut plus publier ce catalogue à cause de restraints budgétaires. On étudie présentement ce problème afin de trouver la direction à prendre. Comme mesure intérimaire l'adj Hannay DSDGR 2-2-2 a préparé un amendement qui a été distribué aux unités en mai 91. On espère que cette mesure rendra le catalogue utilisable jusqu'à ce qu'on puisse le remplacer.

CANADIAN FORCES DENTAL SERVICES SCHOOL

Change of Command/Parade

The CFDSS Change of Command ceremonies took place on 22 June 90 with Brigadier General R. Dziver, the Base Commander, officiating at the ceremony.

Numerous invited guests and members from all CFTS schools and Base Borden gathered to witness the ceremonies which included a parade.

After four years as Commandant, Col Cragg reluctantly (at least we the school staff like to think) relinquished command of his school to become Director of Dental Operations and Training at NDHQ, and handed over the reins of power to his replacement LCol J. Lemieux.

This momentous occasion was also linked with the graduation of the 722 QL6A course which saw Cpl Bruce Lovell of CFDSS achieve the top candidate award.

In keeping with tradition, following the parade and the reception at the CFDSS library, the new Commandant announced a "Stand down" for CFDSS personnel.

BGen Dziver signs change of command scrolls at Parade 22 June 90. Col E. Cragg and LCol J. Lemieux look on.

LCol J.J.J. Lemieux, Cmdt CFDSS, received the original dies of the 75th Anniversary Postal Covers from Col P.R. McQueen. The presentation took place on 26 Feb 91 at CFB Borden.

Maj C.A. Casterton's Sword

Maj Charles A. Casterton was Commander of the Honour Guard at the official opening of the Royal Canadian Dental Corps School in June, 1958. This sword was carried by Maj Casterton when MGen, The Honourable George R. Pearkes VC, Minister of National Defence inspected the guard.

Mrs Fran Casterton donated the sword to the School following Maj Casterton's death on 31 October 1990.

On 22 Feb 91 at CFB Borden, BGen J.F. Begin, DGDS, presented LCol J.J. Lemieux, Cmdt CFDSS, with Maj Casterton's sword. Col H.W. Brogan, CO 12 Dental Unit, was a DOTP student in 1958 and witnessed the opening of the school.

DOTP Activities

The Annual Rod Carver Memorial Baseball game between CFDSS and the DOTP students was held on 30 Jul 90. This year was a special occasion as we had the late LCol Carver's children on hand for the game. As usual CFDSS staff came out on top but this year the score was close, 5-4. After the game everyone retired to the CFDSS library for refreshments and presentation of the Trophy by Ken and Karen Carver to the winning team Captain, Major Cormier.

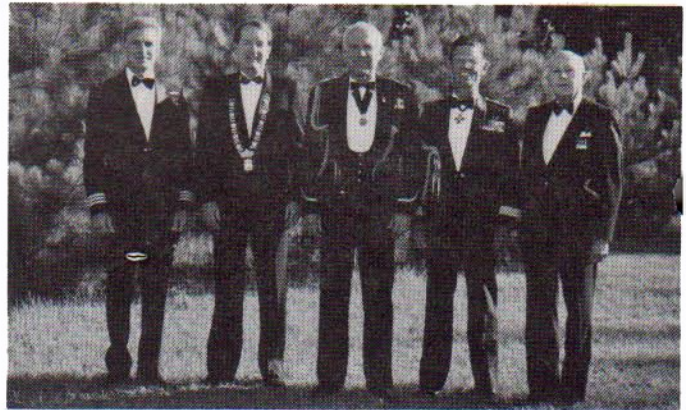

The DOTP Graduation Mess Dinner was held on 2 Aug 90 at the Waterloo Mess with the Graduation Parade taking place the following morning. Distinguished guests attending both functions included BGen J.F. Begin, DGDS; BGen W.R. Thompson (Ret'd), Col Comdt CFDS; Dr. K.L. Roach, President Canadian Dental Association; Capt W.S. MacKenzie (Ret'd), Secretary, RCDC (A).

The DOTP Graduation Parade was reviewed by BGen Begin. Music for both the Mess Dinner and the Parade was provided by the Senior Band of the Borden Cadet Camp.

The DOTP Award winners were both from McGill University, with 2Lt Paul Helpard winning the award for Honour Candidate and 2Lt Marco Caminiti, winning the Field Exercise Award.

CFDSS - Christmas Festivities

The Christmas season was a busy one for CFDSS. It all started on 5 Dec when the staff & students got together and decorated the School and put up the Christmas tree. On 7 Dec our Annual Christmas Dinner Dance was held at the Rafah Social Centre for all members of CFDSS and their spouses/guests. On the 12 Dec we had our staff Christmas Gift Exchange and Pot Luck, (food was provided by Officers and Senior NCMs). Warrant Officer Trina Roberge played Santa Claus this year to the delight of all present and proving CFDSS is an equal opportunity School. Then on 13 Dec the CFDSS Children's Christmas party took place. This was a great success. Hot dogs and drinks were served and the children all received gifts from Santa Claus and his elf (the elf being on special loan from the lab at the North Pole). The last event was the Junior Ranks Christmas Dinner held on 18 Dec, attended by CFDSS, the Medical School and several other schools. This year, Pte Gionet and LCol Lemieux took part in the traditional jacket exchange between the youngest school member and the Comdt. "Pte" Lemieux and "LCol" Gionet made short speeches wishing everyone a Happy Holiday Season.

Oldtimer's Hockey

Lieutenant-Colonel Joe Lemieux, Commandant, Canadian Forces Dental Services School was a member of the CFB Borden Oldtimer's Hockey team. The team was scheduled to play in the Ontario Regional Oldtimer's hockey Championship in Petawawa but this was cancelled due to lack of accommodation. Instead they participated in a quadrant play-off and Borden, Trenton and Toronto battled it out to play the winner of the opposing series between Petawawa, Kingston and North Bay.

The Borden Braves exciting first game against Trenton resulted in a 4-4 tie. Unfortunately, at this game LCol Lemieux re-injured his shoulder and was unable to play again in the series.

Basketball

Pte Rick Gionet, CFDSS' Orderly Room clerk, was a member of the Basketball team picked to represent CFB Borden at the Canadian Forces Ontario Regional Basketball Championship held at CFB Toronto 5-7 February 1991.

Curling

CWO Wayne Cudmore and Sgt Sue Brine were members of the Men's and Women's Teams respectively, representing CFB Borden at the 1991 Ontario Regional Championship held at CFB Borden.

Congratulations to both teams who were declared the 1991 Ontario Region Curling Champions.

Windsurfing

During the weekend of 6-8 September 1990, CFB Trenton hosted the Air Command Invitational Windsurfing Championship (the only Canadian Forces Windsurfing Championship). Some of the many registered competitors came from as far as CFB Lahr. CFDSS was well represented by our Commandant, LCol Jocelyn Lemieux, who placed first in the master's course racing category.

The following weekend the Ontario Windsurfing Championships were held at Minet's Point in Barrie. LCol Lemieux again placed first, this time in the Fun Fleet Master's Category.

Soccer

From 19-24 August, 1990, Cpl Yvon Legault, Cpl Simon Picken and Pte Rick Gionet from CFDSS were members of the team representing CFB Borden at the CF Regional Soccer Tournament held at CFB Petawawa. The Tournament consisted

of Round Robin play. The team lost their first game to the host team CFB Petawawa, but came back to win their second game against CFB Kingston. They lost their last and final match by only one goal to CFB London.

1 Dental Unit Softball Game

1 Dental Unit along with some members of the Dental Division participated in our annual softball game held in CFB Rockcliffe, the afternoon of 15 Jun 90. The rules of the game were the batting team provided their own pitcher, and everyone would go through the batting order to end the inning. Team one was led by last years winning team Captain LCol Budzinski who felt confident of a repeat victory. Team two lead by Maj Abbott was keen and hungry for the win. The game started out pretty even but injuries to Maj Abbott's team on the playing field began to take its toll and slowly but surely LCol Budzinski's team rolled onto victory 22-16.

Retirement MWO Mehler & MWO Searle

Invited guests and members of 1 Dental Unit held a BBQ 24 July 90 at the Social Centre CFB Ottawa North. This occasion was to say farewell to MWO Mehler, and MWO Searle who were retiring from the CF. After 28 years of dedicated service in the CF, 25 of those years with the RCDC/CFDS MWO Mehler decided to take his well deserved retirement from the 722 trade, take up residence in Armstrong, BC, and pursue some of his leisure hobbies like wood carving, and fly fishing for the elusive Kamloops trout. MWO Searle after 20, quote "fabulous" unquote years all with the Dental Corps, retired from the CF. She will reside in Edmonton where she owns her own home, and quote "be in the city with the best hockey and football teams to see anywhere in the country" unquote. Farewell Paul and Pat, your friends at 1 Dental Unit and CFDS will miss you, see you at the CFDS Golf tournaments and Bongsplais.

1 Dental Unit Golf Tournament

1 Dental Unit held its annual golf tournament at the Hylands Golf Club 10 August 90. Twenty-two unit personnel and retired members enjoyed a perfect sunny day which ensured the nine hole tournament's success. Winning the trophy and prize for low gross with a score of 40 was a newcomer to the Unit, Capt Caron. Runner up with a score of 42 was Sgt Roussy. In the Calaway scoring system Cpl Simpson took the honours which still has him wondering in disbelief. LCol Garriott took the prize for longest drive, male, and Cpl Tracy the prize for the longest drive, female. LCol Budzinski won the prize for the drive closest to the pin. Cpl Allen won the prize for the most honest golfer. LCol Budzinski thanked all the retired members for coming out to this event, and gave special thanks to the retired members who donated prizes.

1 Dental Unit Bowling Tournament

1 Dental Unit held its annual bowling tournament at Walkley lanes 23 Nov 90. Ten four person teams representing their detachments participated in this event and seemed to enjoy

themselves. The team of Maj Cousens, Cpl Dubois, Cpl Norry, and Mrs Keevel representing NDMC detachment won the tournament with a team score 1865. Runners up were Ottawa North detachment with a team score of 1778. The CO LCol Budzinski presented the winning team their trophy, as well as some individual prizes which were single game high score Cpl Simpson, three game high score male Cpl Dubois, three game high score female Cpl Tracy, hidden score Capt Coulter, and the person who tried the hardest Cpl Choquette.

Unit Christmas Party

1 Dental Unit held its Annual Christmas Party the afternoon of 7 Dec 90. All members met at the Social Centre CFB Ottawa North with the combined mess providing a sumptuous turkey dinner with all the trimmings. The CO LCol Budzinski sat at the head table with the youngest NCM from each detachment.

War Games

In October a small group of dental warriors waged war against the medical staff. The Crossman CO2 Air pistol and paint pellets were the ordinance agreed upon for the exercise. The dental squad was victorious winning three battles versus their opponents two. The outing was very enjoyable and is sure to repeat in the Spring 91. The only down side was the sprained ankle Cpl Breton received while trying to escape the advancing medics who outnumbered him greatly. Cpl Breton is well recovered but was on crutches for several days.

Awards

In November 1990 the Detachment took some time out to recognize some achievements of its members. LCol Strilesky presented CWO Haiplik with his Chief Warrant Officers Scroll. Warrant Officer McIntyre was presented with her Canadian Decoration. Cpl Breton was presented with the CFDS' first "Dental Purple Heart" and Scroll for enthusiasm beyond the call of duty which was evident during the paint gun war with the medics and unfortunately resulted in his sprained ankle.

Dental Screening

November proved to be a very busy month for the clinic personnel and December showed no signs of being less busy as the Dental Detachment Commander and Chief Warrant Officer made arrangements to "Blitz" the crews of HMCS Huron and HMCS Restigouche.

In December the blitz was on. The crew of the HMCS Huron was first as they were to be operational soonest. Patients were rescheduled so all the dental officers could devote their day to the HMCS Huron crew. The day started very well but finished poorly because much of the crew had more pressing requirements according to their Commanding Officer and Coxswain. For the second Blitz patients were not rescheduled. The second Blitz proved to be a real challenge as the Commanding Officer and Coxswain of the HMCS Restigouche complied with our requests and produced approximately 40 people per hour for screening exams and panorex. This placed a lot of strain on our personnel as most dentists had a full day booked as it was. The clinic performed excellently. Each dentist and assistant team saw at least 40 patients. Capt Jones and Mrs. Plavetec set the high mark at 52 patients and this included five operative patients. The administrative tasks at the front desk were mind-boggling as each chart had to be updated and duplicated. Sgt Zarudzki and her team performed very well throughout this hectic month.

Christmas Party

A well deserved reprieve occurred as our Christmas party was held Dec 12 at the Royal Roads Cadet Mess called the Gun Room. Cocktails, dinner and dancing were the order of the day.

Panama

1991 started as busy as 1990 ended. Capt Greiner and Cpl Capka set sail Jan 4 on HMCS Provider which escorted HMCS Huron to Panama. They returned in three weeks. This is the first time the HMCS Provider had quarters for a female dentist. Capt Greiner having "complained" in the past of not being eligible for sea duty volunteered when it was known female

quarters were available on this trip (wise move). One additional note, imagine the flexibility of the Navy as Capt Greiner took her wedding dress on board ship to finish it. We wonder what the sailors thought of that.

Masset

The dental clinic at Masset is one of three dental facilities on the Queen Charlotte Islands, serving approximately 6,000 people spread over many large and small islands. The Station has 250 members, many of whom find themselves in Alert for varying periods of time during their posting here. We are responsible not only for their dental care, but also their dependants. The local population also receives emergency care at our facility when the civilian dentist is not available. Treating dependants requires looking up in the textbooks from University to relearn those "Pedo" skills, but it is very rewarding!

The Station boasts one of the only covered swimming pools on the Islands, a sauna, a new squash court, a fully equipped weight room, gymnasium and a recently constructed curling rink. The golf course is also open year round - who could ask for more (maybe a Mall or two)!!

The clinic coordinator, Sgt Côté, must deal with a multitude of insurance forms and complete three separate quarterly returns: for members, dependants and civilians. We were really pleased to participate in the OSEER as we're so used to completing forms in triplicate!! Despite the demands on his time, he still manages to jog about 30 kms a week, going for his second seal of third scroll for aerobic excellence (which translates into a grand total of 28,000 km over 16 years)!

Masset has miles of sandy beaches that provide endless hours of exploration (they are different after every storm), hunting, fishing, good Messing, a close knit military community, isolation pay, and a trip home once a year at government expense to name a few. We are managing along well, learning everyday new tricks to make the Detachment more efficient and enjoyable. So next time when someone mentions Masset as a posting, think twice, it's better than Goose Bay!!

Chilliwack

Twice a year a molar mender, gum gardener and a book/instrument keeper make their presence known at Van Det by filling the normally quiet corridors with unpleasant noises and the smell of cloves. The two week stint in the big city is a long awaited reawakening for those who have been countrybound too long.

The days are long (08:00 to 21:30 on occasion) and steady. All Van Det personnel, lower mainland reservists and

UBC-SFU/SUEP students have to be seen each year, half in September, half in March. To squeeze exams, radiographs, cleanings, and any treatment required into two weeks is draining on such a small team (especially one burning the candle at both ends).

Together, the workload and after hours escapades make the days fly by and the nights a blur, bringing the T.D. to an end surprisingly quickly (usually about the time money runs out and bags under the eyes begin to impair vision).

18th Annual Dentspiel

Once again, Greenwood Detachment hosted an excellent bonspiel. The superb German cuisine, a great DJ, and the "shenanigans at the head table" made for a very entertaining evening. The Summerside rink, skipped by Capt Joyce won the "A" Event, a great tribute to the detachment's last bonspiel.

The True Meaning of Christmas

Both Summerside and Gander Detachments should be commended for their time and donations of food, clothing and gifts to the "needy" during the festive season.

Maj Yahiro, Capt MacArthur, Sgt Horodecky and Mrs Woodley received medals during the annual CFB London Sports Awards 7 Jun. They were part of the intersection volleyball team that finished first.

On Friday 22 Jun, five members of the Detachment went on the Second Annual Bike Trip, cycling the 65 kms from Woodstock to the Clinic.

Trenton

Half of the Detachment staff were treated to an afternoon of soaring familiarization with the Air Cadets at Mountain View Airport on 29 Jun. The remainder of staff were scheduled for Wed 4 Jul.

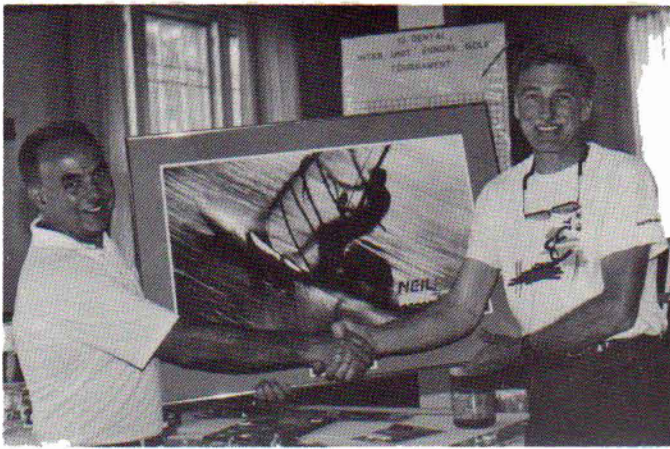

Kingston

The Annual Kingston/Trenton Golf Tournament was held in Kingston 7 Jun. The Kingston Det once again emerged victorious over the Trenton Det. This occasion was also utilized to say farewell to LCol Lemieux and present him with a framed

New CO for 14 Dental Unit

Colonel D.G. Jones replaced Colonel V.J. Lanctis as CO of 14 Dental Unit on 30 July 1990. Colonel Jones takes over as CO after spending three years as DDOT at Dental Services Division. Col Lanctis heads "back to school" at National Defence College in Kingston.

Prairie Delta Trophy

The recipient of the Prairie Delta Trophy for 1990 was CWO R.M. Haiplik formerly of 14 Dental Detachment Calgary.

The "Prairie Delta" trophy is presented annually by the Commanding Officer 14 Dental Unit to recognize outstanding performance, significant achievement or contribution to the Unit, with the selection criteria ideally associated with, but not limited to field related activities. The trophy may be awarded to an individual, a group of individuals, or a dental detachment of 14 Dental Unit.

Exercise On Guard 90

Tuesday, 22 May 90, bright and early, the Dental Platoon marshalled their vehicles with 1 Svc Bn in Calgary and proceeded to Camp Wainwright.

The exercise commenced with the Coy Field Training Exercise. The Dent P1 was armed with C7s, cam paint, and shovels to dig shell scrapes. The last night out we were selected to be the enemy force and attack a bridge. Despite a valiant attempt on our part the bridge could not be taken.

The next part of the exercise was spent deploying to the different units in the field to perform Phase I exams as well as to provide sick parade and emergency treatment to all exercise personnel including Base Wainwright, the Reserves and the British Army.

Next was the Battalion Field Training exercise where we did more moves and more trench digging. This was followed by

the Admin Coy BBQ. Each Platoon had to do a skit. Not to be outdone by anyone, and armed with an excellent script by Maj Ford, we took every award except for the worst skit. Cpl Ford's rendition of "Wild Thing" worked the crowd into a frenzy and earned him the best actor award.

Next came the Brigade Field Training Exercise and more trench digging. It was here that the dental platoon was assigned to a roving foot patrol. Maj Ford ended up being nominated for a Medal of Bravery for his gallant leadership.

After this exercise the Militia began arriving. LCol Chisholm (Vancouver), Maj Fallon (Calgary), Capt Mohr (Calgary), and Lt Gresco (Calgary) joined the Dental Platoon.

With the departure of the Militia came the start of tear down for Admin Coy and within a couple of days we were packed, ready, and in our trucks headed back to Calgary.

Nouvelles Générales

Le mois d'octobre fût très calme, c'est seulement en novembre que nous nous sommes vus impliqués dans autre chose que la routine régulière. En effet, le 11 novembre lors de la Journée du Souvenir, plusieurs membres de l'Unité participaient à des rassemblements à leurs bases respectives. À St-Hubert, c'était le maj Lebel qui avait l'honneur de remplacer le col McQueen pour porter, avec le sgt Ross, la gerbe de fleurs pour la 15e Unité dentaire.

Les réjouissances des fêtes débutèrent très tôt à la 15e Unité dentaire avec la visite du gérant de carrière du personnel non-officier, l'adjuc James, à Bagotville le 13 novembre et à Valcartier les 14 et 15 novembre. Les sous-officiers seniors du dét Valcartier profitaient de sa visite pour se rendre déguster un déjeuner copieux au Mess des adjudants et sergents; l'adjuc Brisebois et d'adjum Gosselin l'ont accompagné dans une visite spéciale de l'enceinte de La Citadelle. Le gérant de carrière des officiers, le maj Tingley, suivait l'adjuc James de très près puisque les 3, 4 et 5 décembre il nous rendait visite.

Le col McQueen a profité de cette fin d'année pour rendre quelques visites à la Réserve dentaire. Le 30 novembre, le col McQueen a visité LFCA Toronto pour passer les membres en revue et rencontrer le bgén Hall, Commandant CMA. Le 5 décembre, il a visité la Réserve dentaire à Ottawa.

Une équipe dentaire du dét Valcartier, composée du capt Rioux, du sgt Bernier et des caporaux Bélanger et Piquette s'est rendue à Rimouski du 2 au 12 décembre pour prodiguer des soins dentaires au personnel du Centre de recrutement et de l'école navale. Cette initiative s'est avérée un franc succès car 71 des 72 patients ont été vus et beaucoup de traitements ont pu être complétés.

Le 1 janvier, le col McQueen fût appelé, chez lui, pour une réunion avec le CEM Adm sur la situation dans le Golfe Persique. Le col McQueen est demeuré aux aguets durant tout le mois étant appelé même les fins de semaine pour des réunions.

Le 5 janvier, le maj Chagnon et le cpl Giroux du dét dent Valcartier se rendaient à la BFC Kingston pour compléter les préparatifs en vue de leur affectation temporaire sur le bateau hospitalier USNS Mercy.

Le 17 janvier, le dét dent Valcartier s'est vu très achalandé; un peu plus de 65 personnes ont subi un examen dentaire de sélection pour le Koweït; certains ont dû passer quelques heures sur la chaise du dentiste afin de devenir aptes.

L'adjuc Brisebois se rendait à Ottawa du 16 au 20 janvier pour participer à la réunion semi-annuelle des directeurs de l'Association canadienne des hygiénistes dentaires. Il en profita pour présenter l'adjum Denis Côté qui dorénavant le remplacera dans ces fonctions.

Tournoi Annuel de Curling de la 15e Unité Dentaire

Le tournoi annuel de curling de l'Unité avait lieu à Longue Pointe le 18 janvier. Il y avait participation record, soit 74 personnes. Le dét Saint-Jean fût le gagnant de justesse devant une équipe du Quartier général. L'équipe du dét Saint-Jean était composée du maj Jacques, du cpl St-Pierre et d'un ex-capitaine, le Dr. Veillette. Nous devons encore une fois remercier l'organisateur, l'adjuc Bernier et son équipe, pour un excellent travail.

Détachement Saint-Jean

Par: le maj J.J.G. Jacques

Un premier événement qui a marqué le dernier trimestre se rapporte aux activités entourant le Jour du Souvenir; en ce dimanche pluvieux et froid du 11 novembre, tout le personnel disponible du détachement s'était joint aux autres militaires et civils de la base pour se recueillir à la mémoire des militaires qui sont morts au cours des trois derniers conflits majeurs.

Aussi, comme ces derniers mois coïncident avec la période des Fêtes, nombreuses ont été les occasions de réjouissance. On peut se rappeler le traditionnel dîner de la troupe où le maj Jacques et l'adj Isabelle en profitaient pour servir le rapport d'occasion aux cpls St-Pierre, Brunet, Grantham et Boisjoly ainsi qu'au sdt Asselin. Il y eut cette autre occasion où les sous-officiers seniors recevaient dans leur mess les officiers pour l'échange des vœux et souhaits.

On ne saurait passer sous silence cet après-midi du 18 décembre où, suite à une amicale compétition de quilles, tout le personnel du détachement s'est réuni dans la salle de prévention pour y savourer les délices culinaires qu'avaient préparés les officiers et les sous-officiers seniors, et participer par la suite au traditionnel échange de cadeaux; à cette

occasion, on notait la présence du Père Noël, personnifié par l'adj Isabelle, et la Fée des Glaces représentée par le cpl Brunet; les deux photos ci-jointes témoignent de cet après-midi unique.

Le 20 septembre 1990, le cpl Champagne, recevait un certificat d'instructeur de secourisme et de réanimation cardiorespiratoire, des mains du lcol Grenier, commandant du détachement dentaire, sous le regard de l'adjum Gosselin. Ce certificat est émis sous l'autorité du règlement de l'Ambulance Saint-Jean du Canada.

Détachement Valcartier

"Bienvenue à la prison de Valcatraz..." C'est en fait ce qu'on me disait lorsque je parlais de l'Unité où l'on m'enverrais travailler à la sortie de l'université, soit: la BFC Valcartier... Vous deviez sans doute vous en douter un peu! Du moins, je l'espère pour vous, car vous seriez de ceux qui, ne jouissant que d'un esprit sombre et douteux, en plus d'être boucaneux et endormi (et j'en passe), ne sont même pas capables de faire l'analogie entre les deux mots suivants: Valcatraz et Valcartier. Eh bien, pour ceux appartenant à ce groupe d'ignares sans scrupule, je ne peux que vous souhaiter de belles fleurs et un prompt rétablissement.

Tandis que pour tous les autres, bénéficiant sans aucun doute d'un esprit supérieur et bien en santé, "ajustez vos bérets et "spitez" vos souliers", comme dit l'expression célèbre (enfin, j'espère qu'elle le deviendra!), car je dois vous faire une déclaration:

Chers confrères et chères consoeurs:

Je dois vous annoncer que durant toute l'année 1990, le détachement de Valcatraz a su garder son haut niveau de moral et ce, même durant "l'opération SALON". Ceci est dû, sans aucun doute, à la bonne humeur qui règne au sein du personnel de la clinique, mais aussi à de nombreuses activités organisées par l'équipe dentaire de Valcatraz.

Voici, par ailleurs, les activités qui se sont déroulées durant la période d'octobre 90 à février 91.

Halloween

Le 31 octobre 90, la clinique dentaire de Valcatraz fut envahie par des êtres tous plus bizarres les uns autant que les autres. Après un combat acharné, le personnel s'est vu obligé de rendre "les pièces à mains" et de confier les patients de Valcatraz à ces drôles d'individus. Selon des témoins, les

suspects seraient: un crayon à colorier, une diseuse de bonne aventure, un clown, un tube de dentifrice avec sa brosse à dent, un dangereux individu nommé "Halloween", une servante, un petit châton, un danseur Hawaïen, un ivrogne et, finalement, une blessée de guerre en chaise roulante. La police militaire de Valcatraz apprécierait grandement tous renseignements utiles pour retrouver ces joyeux lurons!

Party d'Huîtres

Évidemment, novembre étant généralement un mois calme et maussade, notre équipe a donc décidé de l'égayer en organisant un party d'huîtres qui a eu lieu le 16 novembre. C'est à cette occasion que nous avons pu découvrir les talents de certains de nos confrères pour faire des grimaces. Ces derniers, qui n'ont mangé qu'un quart de bouchée, en sont revenus la dent creuse et en laissèrent plus pour les plus gloutons.

Temps des Fêtes

En décembre, trois autres party nous attendaient. Le premier, le party de Noël, en était un de grande gastronomie. Il s'est déroulé le 14 décembre au restaurant "La Tanière". L'équipe a pu déguster une variété de savoureux gibiers servis dans des assiettes préparées de façon des plus alléchantes les unes que les autres.

Le second party fut celui où tous et chacun ont pu démontrer leurs talents et art culinaire. En effet, lors de ce "pot luck", qui eut lieu le 18 décembre, tous furent surpris de goûter à des plats ragoûtants de qualité digne d'un restaurant de haute gastronomie et détrompez-vous: ce n'était pas du "TV Dinner" ou du gâteau "Duncan Hines"!

Finalement, l'année 1990 s'est évidemment soldée par un autre festin (digne, encore une fois, des festins d'Astérix et d'Obélix les gaulois), celui du dîner de la troupe. Durant ce repas, quelle fut la surprise de sdt Vézina qui, étant en visite à la clinique pour son NQ3A, s'est vue attribuer le grade de

Le cmdt du dét dentaire de Valcartier, le lcol G. Grenier, remettant son titre et son grade au sdt Vézina lors du dîner de la troupe.

lieutenant-colonel et devint, comme le veut la tradition, commandant d'un jour à la clinique de Valcatraz. De par ses nouveaux pouvoirs, elle décréta une journée de ski pour février 91. Après le repas, les festivités de la journée se poursuivirent en gâités par quelques divertissements durant lesquels les membres de la clinique participèrent avec entrain!

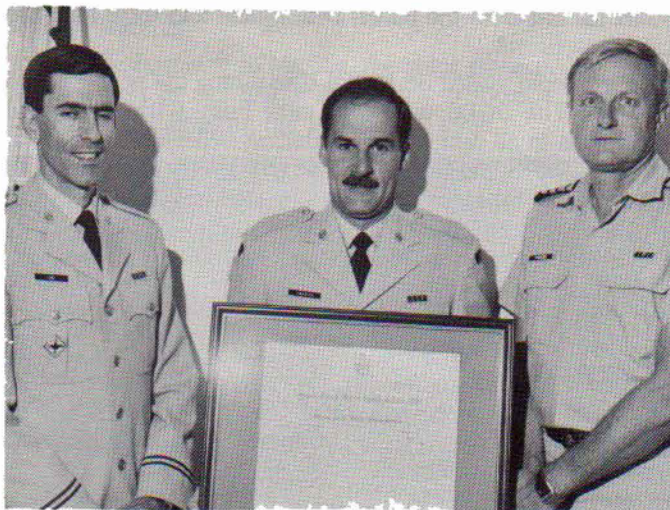

Finalement, après vous avoir exposé tous les faits au sujet du détachement de Valcatraz, je demande par la présente à tous nos lecteurs, d'être indulgents et de "rendre à César ce qui est à César" en redonnant, à la BFC Valcatraz son vrai nom de BFC Valcartier; du moins, ne serait-ce que pour le détachement de la 15e Unité dentaire détachement Valcartier, car, il est évident que les preuves restent encore à faire du côté du reste de la base...

En attendant, je ne peux que vous donner des salutations au nom des membres de notre détachement et surtout, jusqu'au prochain bulletin, prenez bien soin de vos dents!

Détachement St-Hubert

Tout le personnel du détachement s'est réuni afin de souligner le départ des sgts Canuel et Ancil ainsi que pour souhaiter la bienvenue aux sgts Rodrigue et Venne.

Une promotion est tombée sur notre laboratoire central. En effet, c'est maintenant l'adjuc Bernier. Félicitations!

maj Lebel, adjuc Bernier, col McQueen.

Exercice "Molaire Gelée 90"

L'exercice d'initiation aux opérations d'hiver "MOLAIRE GELÉE 90" du personnel de la 11ère, 13e et 15e Unités dentaires s'est déroulé du 11 au 16 février 1990 à la compagnie dentaire de campagne. Incluant les instructeurs, 31 personnes ont participé à l'exercice qui, encore une fois, fut un succès. Le col McQueen et le lcol Budzinski, commandants de la 15e et 11ère Unités dentaires ont participé aux activités de l'entraînement de l'après-midi du 15 février jusqu'au matin du 16 février 1990.

35 DENTAL UNIT

by: MWO B.C. Rector, CD

General

We are smack dab in the middle of the "Nebel" (foggy) season signifying that fall is truly here and that our brigade will soon be returning from the Autumn exercises.

So much has happened so quickly in a short period of time that it is difficult to gain a true appreciation of world events. While we, over here, were hearing about the OKA operation, the remaining piece of the Berlin wall disintegrated and the two Germanies officially became one on 3 Oct 90. As well, Canadian Forces Europe (CFE) was tasked to contribute elements and support to the Gulf crisis. This aspect has been the priority tasking of late and it has impacted substantially on other so-called routine activities e.g. the DCP, unit training and official visits to Europe.

Cuts to the DND budget had a direct effect on CFE in that our forces here will be reduced by 1,400 positions by APS 91. 35 Dental Unit's share of this reduction will be a total of four positions, one from the Baden Detachment and three from the Lahr Detachment.

BGen Begin visited 35 Dental Unit during the period 05-16 Nov 90. The DGDS was kept very busy with visits and inspections to all detachments including Geilenkirchen. One of many highlights the DGDS enjoyed was a walkthrough tour of an AWACS plane escorted by Col Scott, Senior Canadian Officer in Geilenkirchen. The DGDS also spent a very enjoyable evening in the company of Baron and Baroness Von Brausitsch at Schloss Rimburg, then to De Leuf for dinner accompanied by personnel from the Geilenkirchen Detachment, CO 35 Dental Unit and the Ops O.

Maj Klaus Jennermann and Cpl Karen Nelmes took their dental talents across the channel and spent two weeks at CDLS London from 22 October - 8 November 1990. After ensuring that every one that they could get into the clinic was dentally fit, they managed to squeeze in some sight seeing around the city.

Special mention of appreciation goes out to the personnel of Dental Detachment Lahr in their raising of over 1000 DM for

Project HOPE (a charitable endeavour for the less fortunate in the Lahr area at Christmas). A television and VCR was donated to an old age home in Lahr.

Continuing Education

Col Harold Brogan, CO 12 Dental Unit, LCol Les Hudgins along with Capts Dan Albert, Philip Kachanoski and Al Houghton attended the 34th Annual USAREUR and Seventh Army Dental Training Conference at the Armed Forces Recreation Center in Garmisch, Germany from 22-24 October 1990.

On 2 November 1990, an informative day was spent at CFB Baden, courtesy of Maj D.D. Smith an American military dentist who presented an excellent lecture on TMJ related problems. There were a total of 35 dentists in attendance at this Second Annual American/Canadian Dental Officer Symposium.

Sports

The annual unit golf tournament was again hosted by Baden in July. The Horse's head finally returned to Baden with the successful efforts of the team of Capt Al Houghton, WO Denis Roy, Cpl Mike Blais and Cpl Karen Nelmes. Maj Klaus Jennermann took the closest to the hole prize.

The Lahr Detachment, with revenge in mind, hosted the unit baseball game on 7 Sep 90 during which their team scored the winning run in the final inning. LCol Les Hudgins accepted the Horse's posterior on behalf of the Headquarters Component of the Baden Team.

For the second year in a row, Sgt Carole Comtois was selected as the Canadian Forces Europe Female Athlete of the Year by MGen Brian Smith, Commander, CFE. Well done Co-Co!

Maj Doug Vandahl and Sgt Carole Comtois participated at the CFE Regional Cross-Country running competition in Baden on 30 Aug 90. Both placed first in their respective age categories and they went on to Borden to compete in the National Championships from 21-27 Sep 90.

THE GREAT ODYSSEY

by: Cpl S.P. Breton

On the 28th of March 1990, HMCS Provider accompanied by HMCS Huron, Kootenay and Annapolis let go all lines for a 4 month deployment. For the first part of the exercise the dental services were assumed by Maj E.L. Reid and Cpl S.P. Breton. During the RIMPAC, Provider was involved in various manoeuvres. It was also possible to assist at 2 gun fire exercises done by the American Battleship USS Missouri. On completion of RIMPAC, Maj Reid flew back to Victoria and LCol E.D. Graham relieved him for the rest of the trip.

The Provider and other Canadian ships started what was to be the second phase of the deployment; "WESTPLOY 90". The first port of call was Pusan, South Korea. If your nose is blocked and you are not very hungry or you plan to start a diet, Pusan is the place to visit. For an addicted shopper, South Korea is quite a market place.

After Pusan, Provider weighed anchor, direction Vladivostock, USSR. Vladivostock is a closed city in that Russians living outside of Vladivostock are not allowed in the city. Since the revolution 70 years ago, we were the first foreigners allowed to visit the city. The city of Vladivostock

itself was very clean with lots of trees. It looks like any city you can find on the east coast of Canada.

The third port of call was Hong Kong. Hong Kong is a large city with gigantic buildings. Like Korea, Hong Kong is a great place for shoppers, however, the lifestyle is much more expensive.

On 19 June, only three days out of Hong Kong, 90 Vietnamese boat people were found and rescued at sea by the Provider. The refugees said their vessel left Vietnam with 106 people aboard but 16 died at sea. Out of those 90 refugees, 2 died onboard the Canadian ship and were buried at sea. The group had planned to sail to Malaysia but were blown off course by a storm and several passing ships ignored their pleas for help. They spent 21 days at sea, 10 without food or water. The boat people sailed for 5 days in the Provider before the Phillippine Government allowed the 88 Vietnamese boat people to leave the ship.

After a short stay in Manilla, the ships proceeded to Guam, the last port of call before the return to Victoria. The ships arrived at Esquimalt on the 19th of July 1990.
